

FACADE IMPROVEMENT GRANT · DOWNTOWN RONAN · 2027

Fix up your storefront. We'll match it.

Building and business owners in downtown Ronan can get up to $10,000 to improve the front of their building. You do the work, and Mission West pays back half the cost.

Up to $10,000	1:1 match	Downtown Ronan	10 grants
per building	you and the grant split the cost	inside the revitalization zone	for projects in 2027

How it works

1. **Talk it through**
   Meet with Brittany about your building and what you want to do.
2. **Apply**
   Send your plan, a cost estimate, proof you can cover your half, and a letter of support from a local business group.
3. **Get approved**
   A review committee looks at your project and lets you know your approved amount.
4. **Do the work**
   Hire who you like and pay them yourself. Wait for approval before you start.
5. **Send receipts**
   Paid invoices plus before and after photos.
6. **Get paid back**
   Mission West reimburses you for half, up to $10,000. Finish within 12 months of approval.

Example: a $12,000 project gets $6,000 back. A $30,000 project gets the full $10,000. Mission West pays you, not your contractor.
